Clutch, Brazenhead

A kaleidoscope program
Is functioning so beautifully
Fire up all the primary engines
Calculate projected nexus

OH!

Take a good plane and shave off all the edges
Not straight enough to make a perfect structure
Indigenous life must be in agreement
Like one meaning some, and zero meaning nothing

Continue stretching the edge of rondure
While maintaining geodesic stasis
Anomaly detected
No previous known cases

OH!

Take a good plane and shave off all the edges
Not straight enough to make a perfect structure
Indigenous life must be in agreement
Like one meaning some, and zero meaning nothing

Colossal liquid insect
With legs the size of rockets
Analyze its orgone levels
Switch view to kaleidoscopic
