

# Clutch, (Notes From The Trial Of) La Curandera

Did you not grant quarter to the daemon, giving treatment to its wounds?  
And would you not consider it unnatural to be born outside the womb?  
We eagerly await your response and your best defense.

La curandera is the young girl  
In a linen dress of white.  
She dances on black sand in the night  
In her linen dress of white.

Let us vote to dunk the witch in the river Styx and photograph the lye.  
So in the shadow of Cerebus her spirit will reside.
