

Clyde McPhatter, Lover Please (Come Back)

Lover please, please come back
Don't take a train comin' down the track
Don't, please don't, don't leave me
Don't leave me in misery

You would never hold me so near
You would never call me "Dear";
Dontcha know I'd die for you?
Now you're gone, that's what I'll do

Lover please, please come back
Don't take a train comin' down the track
Don't, please don't, don't leave me
Don't leave me in misery

All those stories, not too long
About a love that went all wrong
The girl left the boy, just as bad
Now she's gone, she's so sad

Lover please, please come back
Don't take a train comin' down the track
Don't, please don't, don't leave me
Don't leave me in misery

You would never hold me so near
You would never have called me "Dear";
Dontcha know I'd die for you?
Now you're gone, that's what I'll do

Lover please, please come back
Don't take a train comin' down the track
Don't, please don't, don't leave me
Don't leave me in misery
