

# Co-Ro, Was It So Bad For You

I can not understand  
The way that things just end  
Your index finger pointed at the door  
I said that i would leave  
You told me leave the keys  
And take away your socks and your shoes

When all we did was fight  
And you were always right  
And we'd end up makin' up the whole night through

Was it so bad for you  
Was it so bad for you, baby  
Was it so bad for you

Was it so bad for you, baby  
We were only strangers holding hands

Strangers in the night hold each other tight  
Wait for tomorrow for the whole night through  
I can not understand  
The way that things just end  
I guess that things just go the way they do  
I thought you'd call again  
But I guess it's just a romance  
That keeps me thinking only of you

Was it as good for you as it was for me
