

Coal Chamber, Rowboat

Love is in the Air
Blinding me with Smoke
You are the air I breathe
When I Choke

Butterflies in the jar (3x)
So breathless

Get out of my rowboat (4x)

Captured my heart
Goodies in the basket
Stuttering the ways
I love you honey

Insects in your kiss (3x)
You are my sunshine

Get out of my rowboat (8x)

Get out(3 times)

Get out(6x) Get out of my...
(repeat)

Get out of my rowboat (8x)

Get out (3x) Get out of my...
Get out (3x) Get out of my...
Get out (3x) Get out of my rowboat
