

# Cobra Starship, Guilty Pleasure

And i came here to make you dance tonight  
i don't care about my guilty pleasure for you  
and i don't even know  
what kinda fool you're taking me for  
so you've got some brand new clothes,  
you never could afford before  
oh brother spare us all  
we don't care anymore  
we just wanna get down on the floor  
you sell yourself to make it  
you can dish it, but can you really take it  
you're never gonna get it with nothing  
cause nothing's what you got in your head  
so stop pretending

[2x]

i came here to make you dance tonight  
i don't care if I'm a guilty pleasure for you  
shut up cause we won't stop  
and we're getting down till the sun's coming up  
and i don't even read  
what the papers gotta say about me  
oh, no i can't believe  
they take it so serious, seriously  
i'm so bored, oh please don't talk anymore  
shut your mouth and get down on the floor  
so cynical  
poor baby i can dish it cause i know how to take it  
you're never gonna win em all  
so fuck em if they can't take a joke  
i'm just playing

[2x]

i came here to make you dance tonight  
i don't care if I'm a guilty pleasure for you  
shut up cause we won't stop  
and we're getting down till the sun's coming up  
and maybe someday i'll believe  
(maybe someday i'll believe)  
that we are all apart of some bigger plan  
tonight i just don't give a damn  
(so shut your mouth it's time to dance)  
if the world is ending, i'm throwing the party  
[repeat till fade out]  
and i came here to make you dance tonight  
i don't care if I'm a guilty pleasure for you  
shut up cause we won't stop  
and we're getting down till the sun's coming u
