

Cobra Starship, My Moves Are White (White Hot That Is)

Take my time.
take it easier.
don't need no lines.
cause my move are hot, and i never stop girl.
hey, i know.
you've heard it all before, and you seen it all.
hey, i know.
its the same old song, its the same old song.
i'm the kind of guy that you ain't ever seen before.
if you want to hit the floor, are you ready for more?
i'm the kind of guy that it ain't easy to forget.
girl, i'm gonna make you sweat.
are you ready?
are you ready for more?
i may not be nice.
i won't remember your name, girl.
the things you understand, they could never comprehend.
no.
no need to explain it.
hey, i know.
i talk a lot, but i back it up.
you got.
hey, i know.
you got me all wrong.
got me wrong.
i'm the kind of guy that you ain't ever seen before.
if you want to hit the floor, are you ready for more?
i'm the kind of guy that it ain't easy to forget.
girl, i'm gonna make you sweat.
are you ready?
are you ready for more?
boy, i know what you're gonna say.
or did you think i was born yesterday?
i know you must think, i got something to prove.
but girl, i really only want to hit the floor with you.
i'm the kind of guy that you ain't ever seen before.
if you want to hit the floor, are you ready for more?
i'm the kind of guy that it ain't easy to forget.
girl, i'm gonna make you sweat.
are you ready?
are you ready for more?
i'm the kind of guy that you ain't ever seen before.
if you want to hit the floor, are you ready for more?
i'm the kind of guy that it ain't easy to forget.
girl, i'm gonna make you sweat.
are you ready?
are you ready for more?
