

# Cobra Starship, Send My Love To The Dancefloor

Let it go  
There's no way you can save it now  
Get back, you know that this city is burning  
So the story goes  
It makes you wonder  
'Cause if we're trapped and we're never  
Gonna find a way out,  
Get out  
We're gonna dance now  
Hey Mr. DJ  
You gotta put a record on, yeah  
We're gonna bury this town tonight  
We're gonna dance tonight  
Hey Mr. DJ  
You gotta put a record on, yeah  
We're gonna dance tonight  
Dance tonight  
I let you go  
And I'm still waiting for you to find  
There's nothing more  
That this time that is right now  
So the story goes  
It makes you wonder  
'Cause time is up  
And you're never gonna get another  
Chance now  
You've gotta dance now  
Hey Mr. DJ  
You gotta put a record on, yeah  
We're gonna bury this town tonight  
We're gonna dance tonight  
Hey Mr. DJ  
You gotta put a record on, yeah  
We're gonna dance tonight  
Dance tonight  
Let it go,  
The game is done  
The camera's off  
It can't be hard  
Let it go,  
The game is done  
Camera's off  
It can't be too hard  
To fake it now  
Gotta fake it now  
Let it go,  
There's no way you can change me now.  
Get back, you know  
I don't need you to save me  
So the story goes  
Hey Mr. DJ  
You gotta put a record on, yeah  
We're gonna bury this town tonight  
We're gonna dance tonight  
Hey Mr. DJ  
You gotta put a record on, yeah  
We're gonna dance tonight  
Dance tonight
