

Cock Robin, More Than Willing

I see you got a lot on your mind
Maybe something that could change your
whole life
It's not for me or anyone else
To remind you what you ought to know well
It's gonna break up or break me down
I know I can't hang on much longer now
Just me out walkin' in my shoes
I'm gonna take it on, or turn it loose
Only one person can say
There's not a thing in my way
Hope it all works out O.K.
How can I tell you
Of the hours that I keep reliving?
Anyway I can help you
You know I'd always be more than willing
Have you noticed I'm still here?
I've got no real place to hide anywhere
I'm not ashamed if it seems too hard
But how can I tell if I've been right so far?
Only one person can say
There's not a thing in my way
How can I tell you
Of the hours that I keep reliving?
Anyway I can help you
You know I'd always be more than willing
How to repay you
For all the emptiness you keep filling
If I were the one you came to
You know I'll always be more than willing
