

# Cock Robin, More Than Willing

I see you got a lot on your mind  
Maybe something that could change your  
whole life  
It's not for me or anyone else  
To remind you what you ought to know well  
It's gonna break up or break me down  
I know I can't hang on much longer now  
Just me out walkin' in my shoes  
I'm gonna take it on, or turn it loose  
Only one person can say  
There's not a thing in my way  
Hope it all works out O.K.  
How can I tell you  
Of the hours that I keep reliving?  
Anyway I can help you  
You know I'd always be more than willing  
Have you noticed I'm still here?  
I've got no real place to hide anywhere  
I'm not ashamed if it seems to hard  
But how can I tell if I've been right so far?  
Only one person can say  
There's not a thing in my way  
How can I tell you  
Of the hours that I keep relivig?  
Anyway I can help you  
You know I'd always be more than willing  
How to repay you  
For all the emptiness you keep filling  
If I were the one you came to  
You know I'll always be more than willing
