

Cockney Rejects, Subculture

paulie was a rocker, a rocker till the end
spent all his years rocking out southend
tattoo's up his arms he'd die that way
but he kept on rocking til that fateful day
hey mug, look the other way
hey mug, you've had your day
dye your hair dayglo, go and look a prat
didn't they tell you mod was back
sid was a punk until his dying breath
swore he'd be a punk until the only one left
offered him a parka he changed his mind
suffice to say he's not one of the kind
hey mug, look the other way
hey mug, you've had your day
die your hair dayglo, go and look a prat
didn't they tell you skins were back
