

# Coco Jones, Double Back

(We got London on the track)

Wishing I never found you  
You got this thing about you  
Can't escape  
When I run out of choices  
Can't fight

Yeah I've tried other sources  
Don't know why all the courses  
Lead to you  
Is it true when they say you know  
When it's right

Maybe this is a sign  
Cause I'm always so unsure  
Back and forth  
Can't make up my mind  
Caught in between  
Baby it's me

I'm thinking how come every time I leave  
I can't stay gone long  
And then it's me to double back like please  
Tell me that you still want me  
(Gotta double back honey I'm home)

When it gets hard I let it go  
Sorry I'm so emotional  
Don't wanna regret this down the road  
I don't know, babe

I was in my head shit was getting redundant  
Wanted new stick something I could have fun with  
I was impulsive  
Tried to compare but you got it  
I know where my home and my heart is

Maybe this is a sign  
Cause I'm always so unsure  
Back and forth  
Can't make up my mind  
Caught in between  
Maybe it's me

I'm thinking how come every time I leave  
I can't stay gone long  
And then it's me to double back like please  
Tell me that you still want me  
(Gotta double back honey I'm home)

Rain down on me  
Let your love just fall like rain  
Just rain on me  
Just rain down on me  
Let your love just shower me  
Just rain on me
