

# CoCo Lee, A Love Before Time

If the sky opened up for me,  
And the mountain disappeared,  
If the seas ran dry, turned to dust  
And the sun refused to rise  
I would still find my way,  
By the light I see in your eyes  
The world I know fades away  
But you stay

As the earth reclaims it due  
And the cycle starts anew  
We'll stay, always  
In the love that we have  
Shared before time

If the years take away  
Every memory that I have  
I would still know the way

That would lead me back to your side  
The north star may die  
But the light that I see in your eyes  
Will burn there always

Lit by the love we have  
Shared before time

When the forest turns to jade  
And the stories that we've made  
Dissolve away  
One shining light will still remain

When we shed our earthly skin  
And when our real life begins  
There'll be no shame  
Just the love that we have made before time
