

# CoCo Lee, Crazy Ridiculous

## CHORUS:

I can't wait  
To get my hands on you  
It's gonna be so sick  
Crazy ridiculous  
I can't wait  
To get my hands on you  
It's gonna be so sick  
Crazy ridiculous

Feel me  
Touching you  
Don't want it can't you feel it like I do  
Your body with my body giving me the thing I desire  
You are my world, make me your baby girl

I can't wait  
To get my hands on you  
It's gonna be so sick  
Crazy ridiculous  
I can't wait  
To get my hands on you  
It's gonna be so sick  
Crazy ridiculous

You got to seen me  
Feeling acting likd a fool  
You are my drug  
I won't stop until I am next to you

Your body with my body giving me the things that I desire  
You are my joy, come to me bay boy
