

# CoCo Lee, Gotta Clue

)

(Verse 1)

Rewind...did hear him tell me that he lost his phone? (and it's the...)  
Same line that I thought he told me just a week ago (must be a...)  
Bad sign...I can never reach him and he's never home (well...well...)  
It's time to investigate it... do it on the low.

(Pre-Chorus)

If I could be a little fly up on the wall.  
Then I would have a million eyes I'd see it all.  
If I could crawl inside his two way I would see  
The words would spell out all the evidence I need.

(Chorus)

Oh my god, I think he's cheating.  
Where's he going on the weekend?  
What's the secret that he's keeping?  
I gotta clue.

There's so many missing pieces.  
He says it's work I don't believe it.  
And I think I know who she is.  
I gotta clue.

(Verse 2)

I am no detective but I know when something's wrong (that's right)  
That man...he is the one in question...but I'll tell you what.  
He can't hide the other woman, 'cause I'm catching on (and here's...)  
My plan...get a confirmation then I'm out the door.

(Pre-Chorus)

If I could be a little fly up on the wall.  
Then I would have a million eyes I'd see it all.  
If I could crawl inside his two way I would see  
The words would spell out all the evidence I need.

(Chorus)

Oh my god, I think he's cheating.  
Where's he going on the weekend?  
What's the secret that he's keeping?  
I gotta clue.

There's so many missing pieces.  
He says it's work I don't believe it.  
And I think I know who she is.  
I gotta clue.

A clue, you didn't think I knew.  
A clue, now I'm on to you.  
A clue, I'm closer to the truth.  
I got ways of finding out I'm warning you.

(Rap)

I've gotta clue? I

(Chorus)

Oh my god, I think he's cheating.  
Where's he going on the weekend?  
What's the secret that he's keeping?  
I gotta clue.

There's so many missing pieces.

He says it's work I don't believe it.  
And I think I know who she is.  
I gotta clue.

Oh my god, I think he's cheating.  
Where's he going on the weekend?  
What's the secret that he's keeping?  
I gotta clue.
