

CoCo Lee, I Will Be Your Friend

When every moment gets too hard
The end of the road can feel so far
No matter how much time we'll part
I'm always near you
I'll be the shelter in your rain
Help you find your smile again
I'll make you laugh if you have a broken heart
Wherever you are

Chorus:

'cause I'm never gonna walk away
If the walls come down some day
All along when you feel the pain
I'll be there when you call my name
You can always depend on me
I believe until forever ends
I will be your friend

Verse 2:

So many people come and go
Nothing can change the you I know
You'll never be just a face in the crowd
And time will show
Through the seasons and the years

I will always hold you dear
Never you fear

'cause I'm never gonna walk away
If the walls come down some day
All along when you feel the pain
I'll be there when you call my name
You can always depend on me
I believe until forever ends
I will be your friend

Bridge:

I'll be around when every candle burns down low
And I want you to know...

'cause I'm never gonna walk away
If the walls come down some day
All along when you feel the pain
I'll be there when you call my name
You can always depend on me
I believe until forever ends
I will be your friend
