## CoCo Lee, I Will Be Your Friend

When every moment gets too hard
The end of the road can feel so far
No matter how much time we'll part
I'm always near you
I'll be the shelter in your rain
Help you find your smile again
I'll make you laugh if you have a broken heart
Wherever you are

## Chorus:

'cause I'm never gonna walk away
If the walls come down some day
All along when you feel the pain
I'll be there when you call my name
You can always depend on me
I believe until forever ends
I will be your friend

## Verse 2:

So many people come and go Nothing can change the you I know You'll never be just a face in the crowd And time will show Through the seasons and the years

I will always hold you dear Never you fear

'cause I'm never gonna walk away
If the walls come down some day
All along when you feel the pain
I'll be there when you call my name
You can always depend on me
I believe until forever ends
I will be your friend

## Bridge:

I'll be around when every candle burns down low And I want you to know...

'cause I'm never gonna walk away
If the walls come down some day
All along when you feel the pain
I'll be there when you call my name
You can always depend on me
I believe until forever ends
I will be your friend
