

# Coconut Records, Ask Her To Dance

Ooh ooh ooh ooh  
Ooh ooh ooh ooh  
Ooh

Mm mm mm, mm mm mm  
Mm mm mm, mm mm mm  
Mm

Ask her to dance and she'll tell you a lie  
Tell her she's wrong and she'll tell you you're right  
Sun set on this town only hours ago  
Though it feels like this evening moving so slow  
Oh no

Am I making sense  
Am I making sense  
Am I making sense  
Am I making sense

Well the problem with this see I don't understand  
You say you'll come with me but you don't take my hand  
The sun set on this town only hours ago  
Though it feels like this evening don't want to come slow

Am I making sense  
Am I making sense  
Am I making sense  
Am I making sense  
Am I making sense

Oh no

Am I making sense  
Am I making sense  
Am I making sense  
Am I making sense  
Am I making sense  
Am I making sense  
Am I making sense  
Am I making sense  
Oh ooh oh oh oh oh
