## Coconut Records, Easy Girl

You are An easy girl to love An easy girl to kiss An easy girl to miss when you're gone I say girl You say yeah I love you Easy girl Please say I do And in The morning When it's cold An easy girl to hold And even when we're old and gray I said girl You say yeah Well I love you Easy girl Please say I do Easy girl Easy girl When you go When you go Well my heart goes blind and the sun don't shine Easy girl if you die then too so shall I And I'll lay next to you in that grave side by side I say girl You say yeah I love you Easy girl

Easy girl Please say I do Oh yeah Easy girl Please say That I do
