

Coconut Records, Minding My Own Business

The girls all look the same
I say the girls all look the same
So you gotta get me home
And get me on my feet again

The girls all dance the same
And the nights all end the same
So you gotta get me home
And get me on my feet again love

Cause I'm minding my own business for a change
Yeah I'm minding my own business for a change

Ooh ohoo oooh ooh ohoo oooh

You still look the same
I guess some things never change
But I don't think it's funny
You think that it's funny baby

The drinks all taste the same
I say the drinks all taste the same
So you gotta get me home
And knock me on my feet again love

Cause I'm minding my own business for a change
Uh huh huh huh huh
Yeah I'm minding my own business for a change
Ooh yeah
Yeah I'm minding my own business for a change

Cause I'm minding my own business for a change
Uh huh huh huh huh
Yeah I'm minding my own business for a change
Ooh yeah

Yeah I'm minding my own business for a
minding my own business for a
minding my own business for a change

Ooh ohoo oooh ooh ohoo oooh
Ooh ohoo
Ooh ohoo oooh ooh ohoo oooh
