

Cocoon, Hummingbird

There's a long long road
To reach your house
I arrived just before
Just before the sunset
And you said ,and you said
Welcome with your eyes
And we said ,and we said
Nothing at all

Chorus

Oh we have been to
Many churches
But we never believed
Oh we have been to
Many churches
But we never believed

If you go too far
There's a song you hear
If we get too closed
Whisper in my ear
Speak the word
Say yes
Be my church
Say yes
Humming bird
Say yes
Be my church

Chorus
