

# Cocorosie, Bear Hides And Buffalo

Lead canoes collide inside  
Pocahontas came to me in a reverie  
War paint and tobacco stains  
Piss on the earth  
A pile of dead men  
A pile of dead dead men  
Bear hides and buffalo  
Mildew with fever  
In a time of wintryness  
Naked bronze trembling queen  
Stolen from Egypt  
Buried in England  
Island of the blue dolphin
