## Cocorosie, Lyla

You wanted to buy me For a hundred euro You said you'd take me To your little car Your friend lived near by He had a house and all Where was i from you said You guessed yugoslavia Well it's not yogoslavia It's not yugoslavia at all It reminded me Of a movie i just saw About a little girl From yugoslavia She got sent away They made her prostitute She ate mcdonald's all day And never had a chance to play Lyla You wanted to buy me For a hundred euro You said you'd take me To your little car Your friend lived near by He had a house and all Where was i from you said You guessed yugoslavia But it's not yugoslavia It's hardly yugoslavia at all Lyla
