

Cocteau Twins, Aikea-Guinea

When he pushes away
Like he's gonna have to make me
He gladdens
[x2]

Oh, please
Please
When he pushes away
Like he's gonna have to make me
He he he he he he

It's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail
I gained a lot of advice from him
[x2]

Oh, please
Please
It's so good to have a man
It's so good to have him check him out
At night
Oh, please
Please
It's so good to have a man
It's so good to have him check him out

When he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from him
It's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail
I gained a lot of advice from him
[x2]

Oh, please
Please
When he pushes her back
Like he's gonna have to make me
Please
Please
It's so good to have a man
It's so good to have him check him out
My love
