

Cocteau Twins, Blind Dumb Deaf

Blind dumb deafen offends
I was never a part of it
[x2]

At the bosom
Or the breast
Or the forehead
Or the fist

Blind dumb deafen offends
I was never a part of it
[x2]

My mouthing at you
My tongue the stake
I should welt should I hold you
I should gash should I kiss you

Blind dumb deafen offends
I was never a part of it
[x4]
