

# Cocteau Twins, Grail Overfloweth

Grail overfloweth , There is rain  
And music, And there is love [x2]  
Grail overfloweth, There is rain  
And there's saliva, And there's you

Flinch for him  
More than the other fakes  
I sleep  
Horizontally  
You told momma  
You speak  
You wish me to, See to you  
Grail overfloweth  
There is rain

Grail overfloweth  
There is you and me  
[x5]
