

Cocteau Twins, In Our Angelhood

He's gonna chalk you out
In his angelhood
He's got the love, let- let us
Like he said he would, like he said he would
He's gonna chalk you out
In his angelhood
Please stand alone and let us
Like he said he would, like he said he would
Like he said he would
Like he said he would [x5]
Like he said, the angelfish

In our angelhood
Now our heart's on the edge
Like you said they would, like you said they would
We're truly angelfish
In our angelhood
Now our heart's on the edge

Like you said they would, like you said they would
Like you said they would
In our angelhood [x3]
Judging you, Angelhood, Judging you
In our angelhood [x3]
Judging you, Angelhood, Trust in him
In our angelhood [x3]
Judging you, Angelhood, Judging him
In our angelhood [x3]
