

# Cocteau Twins, Multifoiled

No longer multicolours, multifoiled [x2]

I'm multifoiled  
And time opens wounds, yes  
I'm no longer multicolours, I'm just multifoiled

More worthless love, for I'm all lackluster  
I'm no longer multicoloured, I'm just multifoiled

Years were filled again  
That died of what was sweetest  
I'm no longer multicolours, I'm just multifoiled

More worthless love, for I'm all lackluster  
I'm no longer multicoloured, I'm just multifoiled
