

# Code Of Ethics, Echo

Loneliness, Threatens like the Echo of a memory. A past still not forgotten.

Nothing else, in this world could ever take your place.

CHORUS:

Don't want to be left here all alone, I'm scared and I don't know if I can go on.

I don't want to be here all alone. Letting go and I'm still holding

Emptiness, reaching for a promise through a shattered dream, will you still be there?

Nothing else, in this world, could ever take your place.

CHORUS

CHORUS(2):

Don't want to be left here all alone. I'm scared and I don't  
I don't want to be here all alone. I'm letting go  
but God you're holding on.

Holding on.

Holding on .

holding on.

Holding on.

How come I am the first to put a Code of Ethics song in here? Don't worry I will put some more in soon.

This is a great acoustic number.
