

# Code Red, Always

(jon bon jovi)

Phil:

This romeo is bleeding  
But you can't see his blood  
It's nothing but some feelings  
That this old dog kicked up

It's been raining since you left me  
And I'm drowning in the flood  
You see I've always been a fighter  
But without you, I give up

Roger:

Now I can't sing this love song  
Like the way it's meant to be  
Well I guess I'm not that good anymore  
But baby that's just me

And I will love you baby...always  
And I'll be there forever and a day...always

Lee and phil:

I'll be there till the stars don't shine  
Till the heavens burst and the words don't rhyme  
I know when I die you'll be on my mind  
And I love you always...baby

Phil:

Now the pictures that you left behind  
Are just memories of a different life  
Some that made us laugh, some that made us cry  
One that made you have to say goodbye

What I'd give to run my fingers through your hair  
To touch your lips, to hold you near  
When you say your prayers, try to understand  
I've made mistakes, I'm just a man

Lee:

When he holds you close, when he pulls you near  
When he says the words you've been needing to hear  
I'll wish I was him, and the words are mine  
To say till the end of time

All:

Yeah I will love you baby always...  
And I'll be there, forever and a day...always

Roger and phil:

If you told me to cry for you, I could  
If you told me to lie for you, I would  
Take a look at my face, there's no price I won't pay  
To say these words to you

Lee:

Well there ain't no luck in these loaded dice  
But baby if you give me just one more try  
We can pack up our old dreams and our old lives  
We'll find a place where the sun still shines

All:

And I will love you baby...always

And I'll be there forever and a day...always  
I'll be there till the stars don't shine  
Till the heavens burst and the words don't rhyme  
I know when I die you'll be on my mind  
And I love you always...baby
