

Code Red, Can We Talk (Pure Radio Edit)

Last night I saw you standing
And I Started, started pretending
That I knew you, you knew me too
Oh

And just like a Roni you were too shy
But you weren't the only so was I
And I've dreamed of you ever since
Now I've built up my confidence
Girl next time you come my way
I'll know just what to say

CHORUS:

Can we talk for a minute
Girl I want to know your name
Can we talk for a minute
Girl I want to know your name
I started to write you letters
But I wanted to be more clever
I wanted to get down and sweet talk you
Yeah babe

But just like a baby I could not talk
And I tried to come closer but could not walk
And I think of it every night
How I just could not get it right
Oh if we ever come close again
I know what I'll say then

CHORUS

Oh girl one more chance with you again
I will not let it go
Oh please give me just one more chance
For love, love love love

CHORUS x 2

Can we talk, can we talk, can we talk for a minute
