

Code Red, Come And Get It

(Right Now)

Come and get it
If you really want it
(Right Now)
I wanna give it
I wanna give it to you

I've been wanting you
For a long time
I got something that'll blow your mind
I wanna touch you up and down
I know you feel divine
I'm ready, good to go, just waiting for the sign

If you want it girl, you can have it
If you need it girl, you can have it
If you want it you can have it
But here, right now

C'mon

(Right now)

Come and get it
If you really want it
(Right Now)
I wanna give it to you
(Right Now)
Come and get it
If you really want it
(Right Now)
I wanna give it
I wanna give it to you

Do you think about me girl
Coz I'm so in to you
My mind is doin' overtime
You're all I wanna do
I need you close
To whisper in your ear
I get so tongue-tied coz it's hard when you're near

If you want it girl, you can have it
If you need it girl, you can have it
If you want it you can have it
But here, right now

C'mon

CHORUS

(Right now)

Come and get it
If you really want it
(Right Now)
I wanna give it to you
(Right Now)
Come and get it
If you really want it
(Right Now)

I wanna give it to you

If you want it
Come, we can get it on
We can get it on, Yeah.
