Code Red, If You Go Away

If You Go Away

I'd follow you (Yes I would)
To the end of the world (Yes I would)
Wherever it may be
If you give me the chance to

I'd fill you up (Yes I would)
But do what you have to
And know that i'm there for you

Chorus:
If you go away (You take my heart forever)
If you go away (I'll always be your prisoner)
If you go away (I'll know it wasn't planned)
And so I'll understand you know I'll understand
If you go away

I shed a tear (Yes I do)
As I write these words (Yes I do)
It's not up to me no
My voice cannot be heard

I only live in hope (Yes I do)
Wondering how i'll cope (Yes I do)
If I could just conquer time
You'd definitely be mine

Chorus

Last night I thought I heard you speak
Turned around and you were only on my sleep
Will I ever have you for keeps
If you go away
Ohh oh oh oh oh

Chorus
If you go away I won't beg you to stay
I won't bother you (if you go away) x3

If you go away, I won't beg you to stay
I won't bother you (I will let you go)
If you go away I won't beg you to stay
I won't bother you (I won't beg you no no)

If you go away I won't beg you to stay
I won't bother you (yeah)
If you go away I won't beg you to stay
I won't bother you (I won't beg you)

If you go away I won't beg you to stay
I won't bother you (I will let you go) x2
If you go away I won't beg you to stay
I won't bother you
