

Code Red, When I Close My Eyes

I close my eyes and sleep,
When I close my eyes and sleep,
I dream you're lying next to me,
We're all alone, I would wait,
A thousand years for your touch,
Cos in my dreams you love me,
Until I wake...

When I close my eyes, I dream of having you to love,
When I wake up, all I want all I had's,
No longer beside me,
I'm not the kind of man,
Who'd break don and cry,
But when I open my eyes,
I hoped you'd be there,
You know, you know, you know
I hoped you'd be there...

I hold you close, take my time, yeah,
How I wish this was real and you were mine,
Am I the one? Time will tell,
If I can make it through the night,
Cos in my dreams, you love me,
Until I wake...

When I close my eyes, I dream of having you to love,
When I wake up, all I want all I had's,
No longer beside me,
I'm not the kind of man,
Who'd break don and cry,
But when I open my eyes,
I hoped you'd be there,
You know, you know, you know,
I hoped you'd be there...

When I close my eyes, I dream of having you to love,
When I wake up, all I want all I had's,
No longer beside me,
I'm not the kind of man,
Who'd break don and cry,
But when I open my eyes,
I hoped you'd be there,
You know, you know, you know,
I hoped you'd be there...

I hope you'd be there,
So I could make you see,
That I'm the only one for you,
And I hope that you'd never leave my side,
Knowing everything is all right...

When I close my eyes, I dream of having you to love,
When I wake up, all I want all I had's,
No longer beside me,
I'm not the kind of man,
Who'd break don and cry,
But when I open my eyes,
I hoped you'd be there,
You know, you know, you know,
I hoped you'd be there...
