

Cody Simpson, Got Me Good

You, I, You
I like this right here
word on the street is that you're single
so baby have you heard my single?
It goes laadiidaa and hits like a cymbal
I drew a heart with my finger on your window (Wassup?)
Even with your hair up you're what's up!
Even in your sweat pants you're what's up!
Even when you wake up without any makeup i'm in love!

Cause i'm so tired of the same old thing, imma need something new in my life.
Yeah, so tired of the same old games,
Yeah it's time I start fitting right.

Cause you got me good, girl
& I feel so good, girl
You got me good & you know that I need you so bad

You said you're talkin to your ex boy
Well just remember he's your ex boy
Well maybe i could be your next boy?
And just remember that you're better than the rest so baby what's up?
Even in your work clothes you're what's up!
You know how to work well, girl what's up!
Girl you got me lost in your eyes, i'm in paradise what's up!

Cause i'm so tired of the same old thing, imma need something new in my life.
Yeah, so tired of the same old games,
Yeah it's time I start fitting right.

Cause you got me good, girl
& I feel so good, girl
You got me good & you know that I need you so bad

I wanna know what it feels like
To run my fingers through your hair
I wanna know what drives you wild
Cause baby we could drive it there
Tell me that i'm dreaming
No I don't wanna wake up
No I don't wanna wake up
Ooh

So tired of the same old thing, imma need something new in my life.
So tired of the same old games, Yeah it's time I start fitting right.

Cause you got me good, girl
& I feel so good, girl
You got me good & you know that I need you so bad
You got me good, girl
& I feel so good, girl
You got me good & you know that I need you so bad

So bad /x8
