

# Coheed And Cambria, Bye Bye Beautiful

Your eyes tell the stories of a day you wish you could  
Recall the moments that once have  
Retract the footsteps that brought us to this favor  
I wouldn't ask this of you  
Good eye, sniper  
Here I'll shoot, you run  
The words you scribbled on the walls  
With the loss of friends you didn't have  
I'll call you when the time is right  
Are you in or are you out?  
For them all to know the end of us all  
Run quick, they're behind us  
Didn't think we'd ever make it  
This close to safety in one piece  
Now you wanna kill me in the act of what could maybe  
Save us from sleep and what we are  
Good eye, sniper  
Now I shoot, you run  
The words you scribbled on the walls  
With the loss of friends you didn't have  
I'll call you when the time is right  
Are you in or are you out?  
For them all to know the end of us all  
Bye bye beautiful  
Don't bother to write  
Disturbed by your words and they're calling all cars  
Face step, let down.  
Face step, step down.  
The words you scribbled on the walls  
With the loss of friends you didn't have  
I'll call you when the time is right  
Are you in or are you out?  
For them all to know  
Bye bye beautiful  
Don't bother to write  
Disturbed by your words and they're calling all cars  
Face step, let down.  
Face step, step down.  
Bye bye beautiful  
Don't bother to write  
Disturbed by your words and they're calling all cars  
Face step, let down.  
Face step, step down
