

Coheed And Cambria, Domino the Destitute

If you had the courage to stop me from turning
Into what would be the worst in everybody's eyes
Hey i'm no angel or the devil of your conscience
To tell you who to be.
Good bad ugly or otherwise
If you had good common sense your choices would be grinning far less
I want no part in this self-deprecating worthless chemistry

We made our beds to lie in them proud proud of our great mistakes
This warring knife the flash of this blade turn about-face
I implore you brother
Don't walk away don't walk away from me
?cause this is our war

Oh you think they have it all while you were left with nothing
Oh oh you've taken the fall for them to walk all over
You made your bed so soft and comforting
These dream await the grey good morning

We made our beds to lie in them proud proud of our great mistakes
This warring knife the flash of this blade turn about-face
I implore you brother
Don't walk away don't walk away from me
?cause this is our war

This won't hold forever
Your time has come it's now or never

We made our beds to lie in them proud proud of our great mistakes
This warring knife the flash of this blade turn about-face
I implore you brother
Don't walk away don't walk away from me
?cause? this is our war

One by one we are together we fall together
