

Colbie Caillat, Battle Song

You thought we'd be fine
All these years gone by
Now you're asking me to listen
Well then tell me 'bout everything
No lies, we're losing time

(Chorus)
Cause this is a battle
And its the final last call
It was a trial
You made a mistake we know
Why aren't you sorry,
Why aren't you sorry, why
This can be better
You should be happy to try

You've got them on your side
They won't change their minds
Now its over and i'm feeling like i missed out on everything
I just hope it's worth the fight

(Chorus)
Cause this is a battle
And its the final last call (why you'd have to let it go)
It was a trial
You made a mistake we know (can't you see you hurt yourself)

Why aren't you sorry,
Why aren't you sorry, why
Things can be better
You could be happy, try

(Chorus)
Cause this a battle and its a final last call
It was a trial
You made a mistake, we know (can't you see you hurt yourself)
Why aren't you sorry
Why aren't you sorry, why
This can be better
We can be happy, try

This is a battle
this is a battle

Its a final last call

This is a battle
This is a battle

And its a final last call

This is a battle and its a final last call...
