

# Colbie Caillat, Bubbly

I've been awake for a while now  
You've got me feelin' like a child now  
'Cause every time I see your bubbly face  
I get the tingles in a silly place

They start in my toes  
And I crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while now  
Just take your time  
Wherever you go

The rain is falling on my window pane  
But we are hiding in a safer place  
Under covers staying dry and warm  
You give me feelings that I adore

They start in my toes  
Make me crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while now  
Just take your time  
Wherever you go

What am I going to say  
When you make me feel this way  
I just mmmmm

And they start in my toes  
Makes me crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while now  
Just take your time  
Wherever you go

I've been asleep for a while now  
You tuck me in just like a child now  
'Cause every time you hold me in your arms  
I'm comfortable enough to feel your warmth

And it starts in my soul  
And I lose all control  
When you kiss my nose  
The feeling shows  
'cause you make me smile baby  
Just take your time now  
Holdin' me tight

Wherever wherever wherever you go  
Wherever wherever wherever you go

wherever you go  
I always know  
'Cause you make me smile  
Even just for a while
