

# Colbie Caillat, Buying Time

When do you say goodbye to something that meant so much?  
How long do lovers try, 'til they give in and just give up?  
I don't wanna be the first, but I know what we need to say  
It's right on the tip of our tongues, 'til we kiss it away

We know what's in the cards, something's gonna break  
The letting go gets harder, babe, the longer that we wait  
I wish love could be enough to keep livin' a lie  
But let's not talk about it now, if only for tonight  
It don't matter what it costs  
Let's keep buying time  
Buying time

Poor us a little wine, leave all the lights down low  
Let's hold on a little longer, like we don't know

But we know what's in the cards, something's gonna break  
The letting go gets harder, babe, the longer that we wait  
I wish love could be enough to keep livin' a lie  
But let's not talk about it now, if only for tonight  
It don't matter what it costs, let's keep buying time

Take me by the hand  
Let's slow it down, with a slow dance  
Hold on, long as we can

But we know what's in the cards, something's gonna break  
The letting go gets harder, babe, the longer that we wait  
I wish love could be enough to keep livin' a lie  
But let's not talk about it now, if only for tonight  
It don't matter what it costs  
Let's keep buying time
