

# Colbie Caillat ft. Jason Reeves, Droplets

(I'm leaving you)

(I'm not sure if that's what I should do)

(It hurts so bad)

(I'm wanting you but can't go back)

(Trying to find, to find)

(That all elusive piece of mind)

(Stuck here somehow)

(Shrouded beneath my fear)

(And now I don't need it)

(Cause I'm walkin down this road alone and figured all I'm thinking bout is you, is you my love)

(And my head is in a cloud of rain and the world it seems so far away and I'm just waiting for)

(The droplets, droplets)

You left a mark

I wear it proudly on my chest

Above my heart (Above my heart)

To Remind me that I feel the best

When I'm with you (When I'm with you)

To me everything is effortless

You know it's true

My eyes are painted with regret and I don't need it

Cause I'm walkin down this road alone and figured all I'm thinking bout is you, is you my love

And my head is in a cloud of rain and the world it seems so far away and I'm just waiting to fall and

You are like the raindrops, the raindrops falling down on me

You left a mark (you left a mark)

She left a mark (he left)

She left (he left)

And I don't (I don't)

Need it. (Need it)
