

# Colbie Caillat, Oxygen

I came apart inside a world made of angry people  
I found a boy who had a dream  
Making everyone smile  
He was sunshine  
I fell over my feet  
Like bricks underwater

How am i supposed to tell you how i feel  
I need oxygen  
Oh baby let me be your lady  
I will make you happy  
Never gonna leave, never gonna leave  
Oh baby can i be your lady  
I am going crazy for you

And so i found a state of mind  
Where i could be speechless  
I had to try it for a while  
To figure out this feeling  
This felt so right  
Pull me upside down to a place  
Where you've been waiting

How am i supposed to tell you how i feel  
I need oxygen  
Oh baby can i be your lady  
I will make you happy  
Im never gonna leave,  
Never gonna leave  
Oh baby can i be your lady  
I am going crazy for you

You dont wanna keep me waiting  
Staring at my fingers feeling like a fool

Oh baby can i be your lady  
I am going crazy  
Im never gonna leave,  
Never gonna leave  
Oh baby let me be your lady  
I will make you happy, yeah-ohhhh

Tell me what you want,  
Baby tell me what you need  
Anything i ask baby give it to me  
Baby give it to me, give it to me

Give it to me, give it to me  
Baby give it to me give it to me
