

Colbie Caillat, Oxygen

I came apart inside a world made of angry people
I found a boy who had a dream
Making everyone smile
He was sunshine
I fell over my feet
Like bricks underwater

How am i supposed to tell you how i feel
I need oxygen
Oh baby let me be your lady
I will make you happy
Never gonna leave, never gonna leave
Oh baby can i be your lady
I am going crazy for you

And so i found a state of mind
Where i could be speechless
I had to try it for a while
To figure out this feeling
This felt so right
Pull me upside down to a place
Where you've been waiting

How am i supposed to tell you how i feel
I need oxygen
Oh baby can i be your lady
I will make you happy
Im never gonna leave,
Never gonna leave
Oh baby can i be your lady
I am going crazy for you

You dont wanna keep me waiting
Staring at my fingers feeling like a fool

Oh baby can i be your lady
I am going crazy
Im never gonna leave,
Never gonna leave
Oh baby let me be your lady
I will make you happy, yeah-ohhhh

Tell me what you want,
Baby tell me what you need
Anything i ask baby give it to me
Baby give it to me, give it to me

Give it to me, give it to me
Baby give it to me give it to me
