Colbie Caillat, Oxygen

I came apart inside a world made of angry people I found a boy who had a dream Making everyone smile He was sunshine I fell over my feet Like bricks underwater

How am i supposed to tell you how i feel I need oxygen
Oh baby let me be your lady
I will make you happy
Never gonna leave, never gonna leave
Oh baby can i be your lady
I am going crazy for you

And so i found a state of mind Where i could be speechless I had to try it for a while To figure out this feeling This felt so right Pull me upside down to a place Where you've been waiting

How am i supposed to tell you how i feel I need oxygen
Oh baby can i be your lady
I will make you happy
Im never gonna leave,
Never gonna leave
Oh baby can i be your lady
I am going crazy for you

You dont wanna keep me waiting Staring at my fingers feeling like a fool

Oh baby can i be your lady
I am going crazy
Im never gonna leave,
Never gonna leave
Oh baby let me be your lady
I will make you happy, yeah-ohhhh

Tell me what you want, Baby tell me what you need Anything i ask baby give it to me Baby give it to me, give it to me

Give it to me, give it to me Baby give it to me give it to me
