

# Colbie Caillat, Realize

[V1:] Take time to realize,  
That your warmth is. Crashing down on in.  
Take time to realize,  
That I am on your side  
Didn't I, Didn't I tell you.

But I can't spell it out for you,  
No it's never gonna be that simple  
No I can't spell it out for you

[C:] If you just realize what I just realized,  
Then we'd be perfect for each other  
And will never find another  
Just realized what I just realized  
We'd never have to wonder if  
We missed out on each other now.

[V2:] Take time to realize  
Oh-oh I'm on your side  
Didn't I, didn't I tell you.  
Take time to realize  
This all can pass you by.. Didn't I tell you

But I can't spell it out for you,  
No its never gonna be that simple  
No I can't spell it out for you.

[C:] If you just realized what I just realized  
Then we'd be perfect for each other  
Then we'd never find another  
Just realized what I just realized  
We'd never have to wonder if  
We missed out on each other now.

[V3:] It's not always the same  
No it's never the same  
If you don't feel it to.  
If you meet me half way  
If you would meet me half way.  
It could be the same for you.

[C:] If you just realized what I just realized  
Then we'd be perfect for each other  
Then we'd never find another  
Just realized what I just realized  
We'd never have to wonder  
Just realized what I just realized

OoOoOoO
