

Colbie Caillat, The Other Side

Sticks and stones are flying
Clouds above are crying
And you're just trying to find a little peace
You're playing "Truth Or Dare" now
I know you're feeling scared now
The darkness makes it hard for you to see

The other side
The other side
The other side of breaking
Something better's waiting
On the other side

Nothing lasts forever
This trouble's like a feather
The wind will come and blow it all away
When it's getting hard to carry on
The tide around you's so strong
Hold tight and just ride the wave

To the other side
The other side
The other side of breaking
Something better's waiting
On the other side

Hold on
Hold on
It's gonna be okay
Hold on
Hold on
It's gonna be okay
Hold on
Hold on
It's gonna be okay
Hold on
Hold on
It's gonna be okay
Yeah

On the other side
The other side
The other side of breaking
Something better's waiting
On the other side
The other side
The other side
The other side of breaking
Something better's waiting
On the other side
On the other side
On the other side
