

Colby O'Donis, Come Back To Me

[Verse 1:]

Baby I know I'm always on the road,
I have no time, to take you every where that you wanna go,
if you give me a chance, I'll prove to you that you're my everything.

[Chorus:]

Baby please come back to me
I'll take you anywhere that you wanna be,
with other girls I don't feel right,
it's only you that I need by my side.

[Verse 2:]

Finally realized what you truly mean to me,
I never saw it coming babe I never thought you'd leave.
But now I see what it's like to have you away from me,
I don't like the feeling babe, come back to me

[Pre chorus:]

Ooo don't be scared just tell me the truth,
you miss me too, all those nights that we shared.

[Chorus:]

Baby please come back to me
I'll take you anywhere that you wanna be,
with other girls I don't feel right,
it's only you that I need by my side.

[Bridge:]

If I knew it would be the last time that I saw your pretty face,
I'd never let you go babe, I'm sorry, for being so selfish babe,
for forgiveness, I'll do anything I'll do anything,
Please tell me, Please tell me what I have to do to get back with you,
cause I wanna be, everything you ever dreamed of.

[Chorus:]

Baby please come back to me (To me)
I'll take you anywhere that you wanna be (wanna be),
with other girls I don't feel right,
it's only you that I need by my side.
