

Colby O'Donis, Don't Turn Back

Eh...

Ooo Oh no noo

Konvict... Music...

Here you go...

I know that you been working 9-5 girl 9-5 girl

Gotta act professional but you too fly girl

You too fine girl

Too fine to be taking shit from any guys girl,

So tell me why do you stay yea yea,

Baby you should be not breaking your back working endlessly

You should chase your dreams

You should chase your dreams

Baby I should be the guy that provides all of your needs

I'm behind your dreams

110 you'll see yea

Baby don't turn back don't look back,

You stressing up ain't ya love,

Don't turn back don't look back cause I done found a way

Baby don't turn back don't look back visualize kite in the sky be amazed,

That what you think and see, I'll make reality do do do don't turn back

Now I know you think I'm crazy but I'm bout girl,

The only things that make ya happy scratch the frowns girl,

Cause a princess in your form without the crown girl,

I felt that I had to say yea yea

Baby you should be not breaking your back working endlessly

You should chase your dreams

You should chase your dreams

And baby I should be the guy that provides all of your needs

I'm behind your dreams

110 you'll see yea
