

Cold, Cure My Tragedy (Letter to God)

Remember all the times that we used to play?
You were lost and I would save you
I don't think those feelings will ever fade
You were born a part of me
I was never good at hiding anything
My thoughts break me
Do you understand what you mean to me?
You are my faith

[Chorus]
Won't you cure my tragedy? [x2]
Don't take her smile away from me
She's broken and I'm far away
Won't you cure my tragedy? [x2]
if you make the world a stage for me
then I hope that you can hear me scream
Won't you cure my tragedy?

When I sit and think of the days we shared
and the nights you covered for me
Every little thing that I ever did
You would stand by me
Everytime you cried it would take my wind
My heart would break
If I could be strong like you were for me
You are my faith

[Chorus]
Won't you cure my tragedy? [x2]
Don't take her smile away from me
She's broken and I'm far away
Won't you cure my tragedy? [x2]
if you make the world a stage for me
then I hope that you can hear me scream
Won't you cure my tragedy?

Can you hear me scream? [x2]

[Chorus]
Won't you cure my tragedy? [x2]
Don't take her smile away from me
She's broken and I'm far away
Won't you cure my tragedy? [x2]
if you make the world a stage for me
then I hope that you can hear me scream
Won't you cure my tragedy?

I can't take this anymore
I can't feel this anymore
Won't you take and give her pain to me
'Cause my whole life I've made mistakes
Can you hear me scream? [x2]
