

# Cold, Gone Away

Do you pray  
In the night  
Can you appreciate the wind  
And I won't care  
I won't fight  
I need you close to sing  
It's the same beginning  
Gone away  
It's the same old, same old song  
Gone away  
It's my whole life  
In words  
And I can't breathe  
When you cry  
But I'll be there to hold you tight  
And I would kill  
I would fight  
To keep you close  
I keep singing the same way  
I won't live  
If you died  
If I can feel you in the wind  
And this is me  
It's my life  
I'll need you close to sing  
It's the same beginning  
Gone away  
It's the same old, same old song  
Gone away  
It's my whole life  
In words  
Gone away  
It's the same old, same old song  
Gone away  
It's my whole life  
And I can't say  
And I don't know  
How far  
I'll go  
And I can't say  
And I don't know  
How far  
I'll go  
Gone away  
It's the same old, same old song  
Gone away  
It's my whole life  
In words  
Gone away  
It's the same old, same old song  
Gone away  
It's my whole life
